

RPJ Ministries Leadership Camp Budget and Financial Integrity

RPJ Ministries would like to share with you our annual budget for our leadership camp. Our camps have been bearing fruit in the lives of young athletes who have the desire to play basketball and use their gifts to glorify Christ in their generation. We are excited about the years to come as we expand and get athletes from all over the country. But in order for us to continue to run these camps, we need your help. Here is the annual camp budget to see where the finances of your contribution will be funded towards. Please review and consider making a contribution to help us continue to change our generation. All the funds will go towards the preparation and functioning of our annual leadership camp.
