**"I'm dedicated to giving my time, talents and financial resources to the RPJ Basketball Leadership Camp and am excited about sharing the vision for its growth. RPJ Ministries is beginning the search for Camp Partners, Prayer Partners and Stewardship Partners. Please come to our annual event and hear from past camp leaders whose lives were changed and to catch our vision!"**

## About Us

**Roger Powell Jr.**, member of the 2005 Illinois NCAA's Final Four basketball team and NBA talent, created what is known today as the RPJ Ministries Basketball Leadership Camp. This camp is designed to equip high school athletes with the proper tools they need as they pursue their dreams in basketball and in life.

Our vision is to see young athletes use their talent to bring glory to God. We envision them becoming leaders for Jesus Christ and one day sharing the Gospel of Christ on their college campuses, in their homes, on their teams and in their communities.

Our mission is to develop leaders both on and off the court.

## Event Details

After four successful camps, we welcome you to join us in expanding and building a legacy of excellence. Our growth and continued success can be enhanced only by your participation.
